From the Pastor's Desk-Rev. Dan Vraa

Martin Luther's "Here I Stand"

"I ask you, Martin—answer candidly and without horns—do you or do you not repudiate your books and the errors which they contain?"

- Archbishop of Trier, John Eck.

Luther replied, "Since then Your Majesty and your lordships desire a simple reply, I will answer without horns and without teeth. Unless I am convicted by Scripture and plain reason—I do not accept the authority of popes and councils, for they have contradicted each other—my conscience is captive to the Word of God. I cannot and I will not recant anything, for to go against conscience is neither right nor safe. Here I stand, I can do no other. God help me. Amen."

Missions Update

Missions has been rather quiet this month. Marvin and I have been trying to get into the groove and figuring things out as we go. We were, with assistance from each and every one of you, able to bless those people affected by Hurricane Harvey with over \$2,000.00! It's such a blessing to know that each and every one of you has a heart for those in need. Thank you, thank you, thank you!

I checked in with our various contacts and ministries on Hispanola. Our friends were spared the worst, as Irma skirted the island. Footprints of the Son were able to go out into the community and help those who were most deeply affected by the storm. On a happy note, the senior center we visited in the Dominican Republic recently received the clothes dryer that was purchased with donated funds from the American team. Hopefully it will lighten the burden for those ladies who work so hard to care for those without someone to care for them.

Please keep fellow missionary Bev Stives from Ohio in your prayers. She's preparing for knee surgery this fall. Next summer, she'll be running around the camp with the kids! Please continue to be in prayer for the ministries we support there, Nord Est Haiti

Lutheran Mission (Pastor Daniels' orphanage), Footprints of the Son, Bonne Terre (Jen Wride's Community Garden), and the orphanage, church, and senior home we visited during our summer mission trip to the Dominican Republic as Hurricane Maria is now heading their way.
